## EXECUTIVE SUMMARY

Children want to learn it's sad that in many parts of the world children want to learn. Make us rich in rich countries people are lucky to have good schools children start learning from a very young age they can further their education. Go to higher education or university in japan there are even private schools for babies to learn english it's a shame that in many rich countries many children don't want to learn perhaps schools need to find better ways to teach.

## COMPLETE TRANSCRIPTION

1. Listen to minute dot com education education is one of the most important things in our lives don't you agree it can make the difference between success. Failure an education can bring us knowledge. Make us rich in rich countries people are lucky to have good schools children start learning from a very young age they can further their education. Go to higher education or university in japan there are even private schools for babies to learn english it's a shame that in many rich countries many children don't want to learn perhaps schools need to find better ways to teach.
  
2. Children want to learn it's sad that in many parts of the world children want to learn. Can't make sure you never stop learning education is the key to a better future.
